Outcomes by Intellectual Disability

December 2017

Disability Employment Services (DES) — Employment Support Service (ESS)

Sydney

The Commonwealth publishes outcomes by disability type for providers of Disability Employment Services (DES). The Employment Support Service (ESS) program helps job seekers with disability get a job, and provides ongoing support to keep a job.

Making an informed choice of provider makes a big difference in getting and keeping a job.

People with disability and their families can,

- Choose a provider
- Move to a different provider if they are not happy
- Look at past provider outcomes to make an informed choice
