Employment for people with intellectual disability

NDIS School Leaver Employment Supports Outcomes December 2025

The National Disability Insurance Agency (NDIA) has released the outcomes data for School Leaver Employment Supports for the period from 1 January to 31 December 2025. The NDIA publishes this data every 6 months to enable NDIS participants to consider performance when choosing a provider.

Any cell with a count of 1 to 7 shows as <8 to protect the identity of the participants. Where no outcomes were reported in the outcome category, the cell has been marked 0.

There were 17 providers who reported assisting 8 or more participants into open employment. Between them, these 17 providers were responsible for 287 of the 520 participants achieving open employment across Australia.

The data can be found at:

https://www.ndis.gov.au/providers/working-participants/employment-providers/employment-provider-reports
